RESEARCH PROJECTS AND STUDIES

September 2015- September 2016

FLICI, F. 2016. "Mortality projection for the Algerian population by 2030". In collaboration with the National Committee for population in the framework of the "population projection project" conducted by the Algerian Health Ministry.

January 2015 – June 2016

FLICI, F. and HAMMOUDA, NE. 2016. "Mortality Analysis for the Algerian population throughout the Multi-Indicators Clustery Survey MICS-IV". For the Algerian Health Ministry and the UN Funds for Population Activities UNFPA.

May 2014 – December 2015

"Evaluation of the consistency and efficiency of the Social protection programs in Algeria". For Algerian prim ministry. Directed by UNICEF – Algeria and assisted by Oxford Policy Management. *Missions:* Collecting Quantitative and Qualitative Data: Finance ministry, Interior Ministry. Social Expenditure analysis. Institutional coordination.

ACADEMIC SUPERVISING

2016-2017:

- "Modelling survivor's Benefits in the Algerian pension plan", PhD thesis (ENSSAE).
- "Disability Benefits in the Algerian Social Security System", PhD thesis (ENSSAE).

2015-2016:

- "Prospective experience life-tables for the Algerian retired population", Master thesis, High School of Social Security (ESSS), Algiers, Algeria.

- "Static life tables for social security in Algeria", Master thesis, High School of Social Security (ESSS), Algiers, Algeria.

2013-2014:

- "Construction of disability tables for the building sector in Algeria ". Master thesis in Finance and Actuarial sciences (ENSSEA).

2012-2013:

- "The use of life tables for insurance for Bank credit Insurance", Master thesis in Finance and Actuarial sciences (ENSSEA).

2011-2012:

- "The impact of the actualizing and specifying life tables on life annuities reserving: the case of Algeria " – Master thesis in Finance and Actuarial sciences (ENSSEA).
- "Continuous time approach for life annuities reserving". Master thesis in Finance and Actuarial sciences (ENSSEA).

OTHER SCIENTIFICAL ACTIVITIES

- Member of the "Mortality Working Group MWG" of the "International Association of Actuaries IAA".
- Initiating and organizing a periodic workshop on actuarial sciences (Life) in Algeria starting from January 2016: "Journée d'Actuariat-Vie Algérie (JAVA)". JAVA1: 27 January 2016, JAVA2: 14 March 2016, JAVA3: 07 December 2016.
- Managing a Discussion Group on LinkedIn: "Actuaires Algérie".

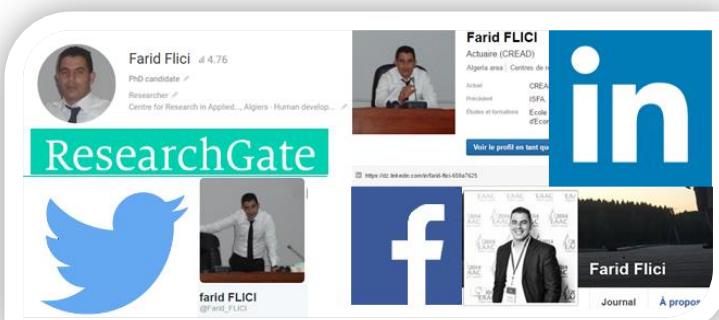

QUALIFICATIONS

- Teaching qualifications
- Language qualifications : Arabic, French and English
- Statistical packages: Microsoft EXCEL, Solver, XLSTAT, SEGMENTER, R.

HOBBIES

Football, Domino, Literature, Poetry.
